The resolution was then signed by the Mayor and recorded in the official records of the City Council of Midway City, Utah. The resolution is as follows:

RESOLUTION No. 2020-24

A RESOLUTION PROVIDING FOR A SPECIAL BOND ELECTION TO BE HELD ON NOVEMBER 3, 2020, FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF MIDWAY CITY, UTAH (THE “CITY”), A PROPOSITION REGARDING THE ISSUANCE OF NOT TO EXCEED \$4,000,000 GENERAL OBLIGATION BONDS TO FINANCE ALL OR A PORTION OF THE COSTS TO BURY A TRANSMISSION LINE AND RELATED IMPROVEMENTS; PROVIDING FOR THE PUBLICATION OF A NOTICE OF PUBLIC HEARING; APPROVING THE FORM OF AND DIRECTING THE PUBLICATION OF A NOTICE OF ELECTION AND THE BALLOT PROPOSITION; AND RELATED MATTERS.

WHEREAS, the City Council (the “Council”) of Midway City, Utah (the “City”) finds it desirable and in the best interest of the City to call an election to issue bonds for the sole purpose of burying an electrical transmission line (the “Line”) and all related improvements (collectively the “Project”) proposed by Rocky Mountain Power and Heber Light & Power (“Utilities”) in length and location as established in the map attached hereto as Exhibit B; and

WHEREAS, the City finds that giving the citizens of the City the opportunity to vote for a bond to finance the Project is important because if the initially proposed Line is built above ground it will include metal and wood poles of up to 80 feet in height and some poles up to 6 feet in diameter in a location that crosses over the southern entrance into the City, effecting the view corridor and rural feel of the City; and

WHEREAS, given the long-term impact the Line will have on City and its citizens, the City Council feels it is in the best interests of the City to allow its citizens to vote as to whether they want to authorize the Project (the burying of the Line) through a bond; and

WHEREAS, the City currently has an appeal pending before the Utah Appellate Court against the Utilities regarding appropriate specifications that should be included in the bids to bury the Line, which the City asserts were excessive; and

WHEREAS, this appeal could delay construction on the Line for several years; and

WHEREAS, the Utilities have expressed a desire and need to proceed earlier with construction, and the City Council finds that one way to potentially resolve its appeal with the Utilities is to work with the Utilities to obtain bids that are acceptable to all parties, which are currently being sought; and

WHEREAS, verified bids will not be available prior to this bond being placed on the ballot; and

WHEREAS, because only estimated costs to bury the Line are currently available, the amount of the proceeds the bond will deliver (after costs of issuance) is proposed as

the maximum amount the City will pay towards burying the Line even if the bids come back in amounts that exceed the bond; and

WHEREAS, if approved, the bond will not be issued unless and until an acceptable agreement is reached with the Utilities to bury the line, which may include the dismissal of the City's pending appeal before the Appellate Court which would open the path to begin construction to bury the Line shortly after the November election; and

WHEREAS, voters are hereby expressly informed that this bond is only for the burial of the Line in the length and location included in Exhibit B, and that it does not include costs nor approvals to bury any other transmission line within the municipal boundaries of the City or within the boundaries of Wasatch County; and

WHEREAS, voters are informed that a conditional use permit has already been issued by Wasatch County and Heber City to allow the transmission line to be installed above ground through these municipalities, and that passing the bond to bury the Line as it passes through the City will not stop the transmission line from being installed above ground through the north and south fields of Wasatch County; and

WHEREAS, voters are informed that voting for the bond does not mean that the City is legally bound to issue the bonds to bury the Line, and that any number of situations could arise that would make burying the Line too costly to undertake, including: a) failure to obtain an agreement from the Utilities to pay for any costs to bury that exceed the amount of the bond; b) verified bids that make it clear the cost to bury is beyond the City's capacity to pay; or c) a decision by the Appellate Court that imposes specifications to bury the Line that increases the cost to bury beyond the City's capacity to pay; and

WHEREAS, voters are informed that approval of the bond on November 3, 2020 does not guarantee that the Line will be buried, and that approval of the bond in no way obligates the City to issue the bond unless the conditions set forth above are met; and

WHEREAS, the City does not have on hand money to pay for all of the costs of the Project and the Council has determined to finance the cost thereof through the issuance of up to \$4,000,000 of its General Obligation Bonds (the "Bonds"); and

WHEREAS, the Council desires to submit a proposition concerning the issuance of the Bonds to the vote of the qualified electors of the City pursuant to the provisions of the Local Government Bonding Act, Title 11, Chapter 14, Utah Code Annotated 1953, as amended and applicable provisions of the Utah Election Code, Title 20A, Utah Code Annotated 1953, as amended (collectively, the "Act");

NOW, THEREFORE, It Is Hereby Resolved by the Council as follows:

In the event the proposition for the Bonds is approved at the Election, the City reasonably expects to reimburse the City from proceeds of debt to be incurred by the City, capital expenditures advanced by the City for the acquisition and construction of the improvements herein described in a principal amount of not more than \$4,000,000.

Section 5. Public Hearing. The Council shall hold a public hearing on September 15, 2020, to receive input from the public with respect to (a) the issuance of the Bonds and (b) the potential economic impact that the improvements, facilities, or properties to be financed in whole or in part with proceeds of the Bonds will have on the private sector, which hearing date shall not be less than fourteen (14) days after notice of the public hearing is first published and shall not be sooner than thirty (30) days or later than five (5) business days before the first publication of the Notice of Election as described in this Resolution, such notice to be published (i) once a week for two consecutive weeks in the Wasatch Wave, a newspaper of general circulation within the City, (ii) on the Utah Public Meeting Notice Website created under Section 63F-1-701, Utah Code Annotated 1953, as amended, and (iii) on the Utah Legal Notices website (www.utahlegals.com) created under Section 45-1-101, Utah Code Annotated 1953, as amended.
