Ordinance 2022-06 /  
Internal Accessory Dwelling Units

**Midway**

**CITY COUNCIL MEETING STAFF REPORT**

**DATE OF MEETING:** February 15, 2022

**NAME OF APPLICANT:** Midway City

**AGENDA ITEM:** Code Text Amendment of Title 16.13:  
Supplementary Requirements in Zones

Midway City is proposing an amendment to Section 16.13: Supplementary Requirements in Zones of the Midway City Municipal Code. The proposed amendment would regulate internal accessory dwelling units.

**BACKGROUND:**

In the 2021 Utah Legislative Session, the legislator adopted H.B. 82 which modifies state code requiring counties and municipal governments to allow Internal Accessory Dwelling Units (IADU) in their communities. It appears that their intent in creating the new requirement was to address the statewide housing shortage.

The IADU units are intended to be full living units located within a property owners primary dwelling. State code prescribes the minimum and maximum requirements that can be imposed by a local government on an IADU, but it also provides some optional requirements that a local government can adopt including a minimum lot size (6,000 sf.), additional/replacement parking, requiring a permit/license, etc. Part of the bill, which included modifications to some building code requirements, went into effect on May 5<sup>th</sup>, 2021. The balance of the bill went into effect October 1<sup>st</sup>, 2021. If local governments do not adopt the mandatory and optional requirements, then the minimum provisions adopted in state code would prevail.

Below is a list of highlights from the bill:

- modifies and defines terms applicable to municipal and county land use

- development and management;
- allows a municipality or county to punish an individual who lists or offers a certain licensed or permitted accessory dwelling unit as a short-term rental;
- allows municipalities and counties to require specified physical changes to certain accessory dwelling units;
- in any single-family residential land use zone:
  - requires municipalities and counties to classify certain accessory dwelling units as a permitted land use; and
  - prohibits municipalities and counties from establishing restrictions or requirements for certain accessory dwelling units with limited exceptions;
- allows a municipality or county to hold a lien against real property containing certain accessory dwelling units in certain circumstances;
- provides for statewide amendments to the International Residential Code related to accessory dwelling units;
- requires the executive director of the Olene Walker Housing Loan Fund to establish a two-year pilot program to provide loan guarantees for certain loans related to accessory dwelling units;

The IADU legislation was recently discussed with the City Council who provided some direction to the city attorney to aid in the preparation of a draft code. The proposed draft code would be incorporated into title 16, our municipal land use code.

Below in *red* is the proposed code language which would be adopted as section 16.13.38.

***Section 16.13.38                      Internal Accessory Dwelling Units.***

- 1. As used in this section:*
  - a. “Internal Accessory Dwelling Unit” means an accessory dwelling unit created:*
    - i. Within a primary dwelling;*
    - ii. Within the existing footprint of the primary dwelling at the time the internal accessory dwelling unit is created; and*
    - iii. For the purpose of offering a long-term rental of 30 consecutive days or longer or habitation without fee.*
  - b. “Primary dwelling” means a single-family dwelling that:*
    - i. Is detached; and*
    - ii. Is occupied as the primary residence of the owner of record.*
- 2. Permitted Use.*
  - a. The use of one internal accessory dwelling unit within a primary dwelling is a permitted use in any area zoned primarily for residential use.*
  - b. An internal accessory dwelling unit shall comply with all applicable building, health, and fire codes, except that:*
    - i. A structure whose egress window in an existing bedroom complied with the construction code in effect at the time that*

*the bedroom was finished is not required to undergo a physical change to conform to the current construction code if the change would compromise the structural integrity of the structure;*

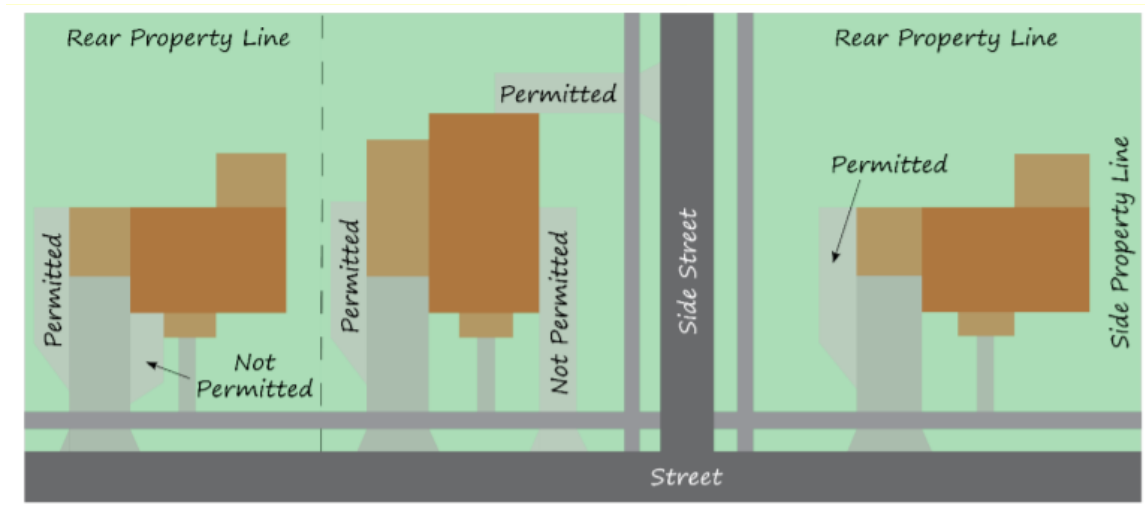

- ii. The discharge of return air from an accessory dwelling unit into another dwelling unit, or into an accessory dwelling unit from another dwelling unit, is not prohibited; and*
- iii. An occupant of an accessory dwelling unit is not required to have access to the disconnect serving the dwelling unit in which they reside.*

*3. Restrictions and Requirements:*

- a. The following are prohibited in all internal accessory dwelling units located in the City:*
  - i. Installing a separate utility meter;*
  - ii. Creating an internal accessory dwelling unit within a mobile home;*
  - iii. Creating an internal accessory dwelling unit within a primary dwelling served by a failing septic tank;*

*dwelling as a single-family dwelling. Specifically, it must comply with the following:*

- 1. New exterior entrances that benefit an internal accessory dwelling unit are prohibited along the front façade of the structure. This does not prevent the internal accessory dwelling unit from using an existing front entrance but prevents the creation of a new entrance for the internal accessory dwelling unit along the front façade of the structure. An additional entrance may be added along the side or rear façades of the structure.*
- 2. No parking spaces may be located within the front setback or the secondary frontage setback adjacent to a street, except for within an approved driveway as described in 3(b)(ii). A required IADU parking stall shall not be in front of the dwelling except as described in 3(b)(ii). A driveway associated with an IADU or parking stall associated with an IADU may not be located in the secondary frontage setback.*

  - iii. *State that if the owner of the property fails to cure the violation within the time period described in Subsection (4)(b)(ii), the City may hold a lien against the property in an amount of up to \$100 for each day of violation after the day on which the opportunity to cure the violation expires;*

In compliance with state code, we are proposing that IADUs are listed as a permitted use in all residential zones (R-1-7, R-1-9, R-1-11, R-1-15, R-1-22, RA-1-43). In addition to the residential zones, we are proposing that IADUs are added as a permitted use in the commercial (C-2 and C-3) and Resort zones. The following language would be added in the specified sections:

**16.5.2 Permitted and Conditional Uses (C-2 and C-3)**

<b>USES</b>	<b>C-2</b>	<b>C-3</b>
<b>Internal Accessory Dwelling Unit</b>	<b>P</b>	<b>P</b>

**16.15.4.A.F.3 Permitted and Conditional Uses in Resort Zone (RZ)**

USES	RZ
<b>Internal Accessory Dwelling Unit</b>	<b>P</b>

**POSSIBLE FINDINGS:**

- Regardless of whether the city adopts a code regarding IADUs, state code currently allows property owners to install IADUs assuming the minimum requirements outlined in state code are met
- The creation of IADUs could help improve the availability of housing in our community
- By adopting this code, Midway City will be able to actively permit and track the creation of IADUs. By tracking the permitted units, Midway will be able to enforce the removal of non-conforming units that are in violation of the proposed title
- The option of recording a notice against the property will ensure that there is a recorded record for future property owners letting them know what the implications are for having an internal accessory dwelling unit (e.g. owner occupied, long-term rental only)
- Approval of the proposed code would list IADUs as permitted uses in all residential, commercial and resort zones.

**PLANNING COMMISSION RECOMMENDATION:**

**Motion:** Commissioner Simons: I make a motion that we recommend to approve an amendment to Section 16.13: Supplementary Requirements in Zones of the Midway City Municipal Code. The proposed amendment would regulate internal accessory dwelling units. Accept staff findings and adding that we require that an internal accessory dwelling unit be designed in a manner that does not change the appearance of the primary dwelling as a single-family dwelling, by allowing a separate entrance located on the side or the back of the home, not on the front. Also, any additional driveway area, must be on the same side of the original driveway for the main home unless the home is on a corner lot. To list the IADU code as a permitted use in each zone. Add that it is listed as a permitted

use in the commercial zones only if the home is grandfathered in as a primary residential unit and they may have an IADU. No common area shall be counted towards the six thousand square foot minimum in order to qualify for an IADU.

**Seconded:** Commissioner Garland

**Chairman Nicholas:** Any discussion on the motion?

**Chairman Nicholas:** All in favor.

861 (a) the restriction or prohibition receives unanimous approval by all lot owners; and

862 (b) when the restriction or prohibition requires an amendment to the association's  
863 recorded declaration of covenants, conditions, and restrictions, the association fulfills all other  
864 requirements for amending the recorded declaration of covenants, conditions, and restrictions  
865 described in the association's governing documents.

866 (8) Except as provided in Subsection (9), an association may not require a lot owner  
867 who owns a rental lot to:

868 (a) obtain the association's approval of a prospective renter;

869 (b) give the association:

870 (i) a copy of a rental application;

871 (ii) a copy of a renter's or prospective renter's credit information or credit report;

872 (iii) a copy of a renter's or prospective renter's background check; or

875 (9) (a) A lot owner who owns a rental lot shall give an association the documents

876 described in Subsection (8)(b) if the lot owner is required to provide the documents by court  
 877 order or as part of discovery under the Utah Rules of Civil Procedure.

878 (b) If an association's declaration of covenants, conditions, and restrictions lawfully  
 879 prohibits or restricts occupancy of the lots by a certain class of individuals, the association may  
 880 require a lot owner who owns a rental lot to give the association the information described in  
 881 Subsection (8)(b), if:

882 (i) the information helps the association determine whether the renter's occupancy of  
 883 the lot complies with the association's declaration of covenants, conditions, and restrictions;  
 884 and

885 (ii) the association uses the information to determine whether the renter's occupancy of  
 886 the lot complies with the association's declaration of covenants, conditions, and restrictions.

887 (10) Notwithstanding Subsection (1)(a), an association may not restrict or prohibit the  
 888 rental of an internal accessory dwelling unit, as defined in Section 10-9a-530, constructed

 890 applicable:

891 (a) land use ordinances;

892 (b) building codes;

893 (c) health codes; and

894 (d) fire codes.

950 (C) generates excessive noise or traffic;  
951 (D) creates unsightly conditions visible from outside the dwelling;  
952 (E) creates an unreasonable source of annoyance to persons outside the lot; or  
953 (F) if there are attached dwellings, creates the potential for smoke to enter another lot  
954 owner's dwelling, the common areas, or limited common areas.
- 955 (c) If permitted by law, an association may adopt rules described in Subsection (6)(b)  
956 that affect the use of or behavior inside the dwelling.

  - 976 (b) The exemption in Subsection (9)(a):
    - 977 (i) applies during the period of the lot owner's ownership of the lot; and

## ORDINANCE

2022-\_\_\_\_

**AN ORDINANCE TO AMEND SECTION 16.13 OF THE  
MIDWAY CITY LAND USE CODE TO REGULATE  
INTERNAL ACCESSORY DWELLING UNITS.**

**WHEREAS**, pursuant to Utah Code Section 10-9a-509 the Midway City Council may formally initiate proceedings to amend city ordinances; and

**WHEREAS**, in the 2021 Utah Legislative Session, the Utah Legislature adopted House Bill 82, which modifies state code requiring counties and municipalities to allow Internal Accessory Dwelling Units (“IADU”) in their communities; and

**WHEREAS**, the IADU units are intended to be full living units located within a property owner’s primary dwelling; and

**WHEREAS**, the Utah code provides some IADU requirements that must be imposed by local governments, but also provides some options that local governments can choose whether to impose; and

**WHEREAS**, the Midway City Council desires to amend Section 16.13 of the Midway City Land Use Code to incorporate the Utah code requirements regarding IADUs, and to specify the optional requirements it has chosen to impose on IADUs.

**NOW THEREFORE**, be it ordained by the City Council of Midway City, Utah, as follows:

**Section 16.13** shall be amended to read as follows:

**16.13.38 Internal Accessory Dwelling Units**

1. As used in this section:
  - a. “Internal Accessory Dwelling Unit” means an accessory dwelling unit created:
    - i. Within a primary dwelling;

- ii. Within the existing footprint of the primary dwelling at the time the internal accessory dwelling unit is created; and
      - iii. For the purpose of offering a long-term rental of 30 consecutive days or longer or habitation without fee.
    - b. “Primary dwelling” means a single-family dwelling that:
      - i. Is detached; and
      - ii. Is occupied as the primary residence of the owner of record.
- 2. Permitted Use.
  - a. The use of one internal accessory dwelling unit within a primary dwelling is a permitted use in any area zoned primarily for residential use.
  - b. An internal accessory dwelling unit shall comply with all applicable building, health, and fire codes, except that:
    - i. A structure whose egress window in an existing bedroom complied with the construction code in effect at the time that the bedroom was finished is not required to undergo a physical change to conform to the current construction code if the change would compromise the structural integrity of the structure;
    - ii. The discharge of return air from an accessory dwelling unit into another dwelling unit, or into an accessory dwelling unit from another dwelling unit, is not prohibited; and
    - iii. An occupant of an accessory dwelling unit is not required to have access to the disconnect serving the dwelling unit in which they reside.
- 3. Restrictions and Requirements:
  - a. The following are prohibited in all internal accessory dwelling units located in the City:
    - i. Installing a separate utility meter;
    - ii. Creating an internal accessory dwelling unit within a mobile home;
    - iii. Creating an internal accessory dwelling unit within a primary dwelling served by a failing septic tank;
    - iv. Renting an internal accessory dwelling unit located within a dwelling that is not the owner’s primary residence;
    - v. Renting or offering to rent an internal accessory dwelling unit for a period of less than 30 consecutive days;
  - b. The following are required of all internal accessory dwelling units located in the City:
    - i. One additional on-site parking space, regardless of whether the primary dwelling is existing or new construction;
    - ii. Any required parking spaces contained within a garage or carport removed for the creation of an internal accessory dwelling unit must be replaced, which could require the creation of new onsite parking spaces. Parking associated with an internal accessory dwelling unit (both required and voluntary) may not be in tandem with required parking of the main dwelling unless there is a minimum distance of 45’ from the front property line or the projected right-of-way, whichever is less, and the garage.

- iii. The owner of a primary dwelling desiring to rent out an internal accessory dwelling unit must obtain a City license and any applicable permits to do so;
- iv. Lot containing the primary dwelling shall be a minimum of 6,000 square feet in size;
  - 1. No common or limited common area may count towards the 6,000 square foot minimum.
- v. An internal accessory dwelling unit should be designed in a manner that does not change the appearance of the primary dwelling as a single-family dwelling. Specifically, it must comply with the following:
  - 1. New exterior entrances that benefit an internal accessory dwelling unit are prohibited along the front façade of the structure. This does not prevent the internal accessory dwelling unit from using an existing front entrance but prevents the creation of a new entrance for the internal accessory dwelling unit along the front façade of the structure. An additional entrance may be added along the side or rear façades of the structure.
  - 2. No parking spaces may be located within the front setback or the secondary frontage setback adjacent to a street, except for within an approved driveway as described in 3(b)(ii). A required internal accessory dwelling unit parking stall shall not be in front of the dwelling except as described in 3(b)(ii). A driveway associated with an internal accessory dwelling unit or parking stall associated with an internal accessory dwelling unit may not be located in the secondary frontage setback.

- 3. The minimum dimension of the parking stall is 9' x 20' and shall have a surface consisting of either asphalt, concrete, pavers, gravel, or road base.
- c. The City has discretion to pursue the following concerning internal accessory dwelling units:

- i. The City may hold a lien against a property containing an internal accessory dwelling unit in accordance with Subsection 4; and
- ii. The City may record a notice for an internal accessory dwelling unit in accordance with Subsection 5.

4. Liens.

  - ii. The City provides a written notice of violation in accordance with Subsection (4)(b);
  - iii. The City holds a hearing and determines that the violation has occurred in accordance with Subsection (4)(d), if the owner files a written objection in accordance with Subsection (4)(b)(iv);
  - iv. The owner fails to cure the violation within the time period prescribed in the written notice of violation under Subsection (4)(b);
  - v. The City provides a written notice of lien in accordance with Subsection (4)(c); and
  - vi. The City records a copy of the written notice of lien described in Subsection (4)(a)(iv) with the Wasatch County recorder.
- b. The written notice of violation shall:
  - i. Describe the specific violation;
  - ii. Provide the owner of the internal accessory dwelling unit a reasonable opportunity to cure the violation that is:
    - 1. No less than 14 days after the day on which the City sends the written notice of violation, if the violation results from the owner renting or offering to rent the internal accessory dwelling unit for a period of less than 30 consecutive days; or
    - 2. No less than 30 days after the day on which the City sends the written notice of violation, for any other violation;
  - iii. State that if the owner of the property fails to cure the violation within the time period described in Subsection (4)(b)(ii), the City may hold a lien against the property in an amount of up to \$100 for each day of violation after the day on which the opportunity to cure the violation expires;
  - iv. Notify the owner of the property:
    - 1. That the owner may file a written objection to the violation within 14 days after the day on which the written notice of violation is post-marked or posted on the property; and
    - 2. Of the name and address of the City office where the owner may file the written objection;

- c. The written notice of lien shall:

- i. State that the property is subject to a lien;
  - ii. Specify the lien amount, in an amount of up to \$100 for each day of violation after the day on which the opportunity to cure the violation expires;
  - iii. Be mailed to:
    - 1. The property's owner of record; and
    - 2. Any other individual designated to receive notice in the owner's license or permit records; and
  - iv. Be posted on the property.
- d. If an owner of property files a written objection in accordance with Subsection (4)(b)(iv), the City shall:
  - i. Hold a public hearing to conduct a review and determine whether the specific violation described in the written notice of violation under Subsection (4)(b) has occurred; and
  - ii. Notify the owner in writing of the date, time, and location of the hearing described in Subsection (4)(d)(i) no less than 14 days before the day on which the hearing is held.
  - iii. If an owner of property files a written objection under Subsection (4)(b)(iv), the City may not record a lien under this Subsection 4 until the City holds a hearing and determines that the specific violation has occurred.
  - iv. If the City determines at the hearing that the specific violation has occurred, the City may impose a lien in an amount of up to \$100 for each day of violation after the day on which the opportunity to cure the violation expires, regardless of whether the hearing is held after the day on which the opportunity to cure the violation has expired.
- e. If an owner cures a violation within the time period prescribed in the written notice of violation under Subsection (4)(b), the City may not hold a lien against the property, or impose any penalty or fee on the owner, in relation to the specific violation described in the written notice of violation under Subsection (4)(b).

5. Recording Notices.

- a. If the City issues a license and any applicable permits to an owner of a primary dwelling to rent an internal accessory dwelling unit, or a building permit to an owner of a primary dwelling to create an internal accessory dwelling unit, the City may record a notice in the office of the Wasatch County recorder.
- b. The notice described in Subsection (5)(a) shall include:
