**RE:** Budget Public Hearings

---

I received information from Ridley's Family Markets regarding the unpaid tax reimbursements associated with their former grocery store in Midway. This information could significantly impact the FY 2024 and FY 2025 Midway and CDRA budgets. Therefore, I request that the budget public hearing schedule for this Tuesday (21 May 2024) be moved to the following meeting on 4 June 2024. This will give me time to review the information and determine how these budgets might change.
